

## A2 SERIES

# LED SMOOTHLITE TROFFERS

The A2 Series Troffer lighting products provide a cost effective architectural troffer option for any office or drop ceiling environment. Unique LED spacing eliminates any pixelation found in older LED fixtures to provide a handsome design which improves the aesthetics of any retrofit project.

### PRODUCT DETAILS

#### Intended Use

Designed for new construction or retro-fit projects.

#### Construction & Materials

Unique light weight metal construction for troffer housing minimizes fixture weight.

#### Optical System

Alloy shell includes 92% reflective white enamel.

#### Electrical System

Class 2 low voltage LED driver; Input voltage 120V-277V.  
0-10V Dimming.

#### Installation

Quick and easy installation.

#### Recommended Uses

Office Areas  
Front Entry Ways  
Hallways  
Classrooms

#### Listings

ETL Listed  
DLC Qualified  
RoHS Compliant  
CE Certified

#### Warranty

5 year warranty for parts manufactured and furnished by Innovative Lighting, LLC. Standard terms and conditions apply.
