WARRANTY INFORMATION

LED (LIGHT EMITTING DIODE) LIMITED LIFETIME WARRANTY:
Innovative Lighting Corporation (ILC) extends a Limited Lifetime LED Lamp Warranty to the original purchaser that ILC’s sealed LED Lamp is free from defects in workmanship and/or materials only. Any product developing such defect in material or workmanship within this period will be repaired or replaced with a like product, at our option (ILC) providing it is sent to us, transportation charges prepaid, along with US$5.00 to cover the cost of handling. Please note; this is not a repair charge. Proof-of-Purchase date to ILC at our Roland, Iowa, factory must accompany return. ILC does not warrant any incandescent electric lamps (bulbs) free against defects and or performance. Excludes ChannelBriteTM and home lighting products.

The LED LIMITED LIFETIME WARRANTY DOES NOT APPLY TO SEVERE APPLICATIONS such as buses, construction equipment and off-road vehicles. These applications are examples only and are not all inclusive of each exclusive application. Many chemicals and/or cleaners are incompatible with ILC’s LED products; therefore, the Limited Lifetime Warranty does not apply to damage associated with incompatible chemicals and cleaners. The ILC LED lamps are to remain intact, free from physical abuse, not subject to improper installation or modification. Any violation of these conditions will void this LED Limited Lifetime Lamp Warranty.

This LED Limited Lifetime Warranty is not transferable and applies to the original installation of the sealed LED lamps for as long as the original purchaser owns them.

THREE YEAR LIMITED PRODUCT WARRANTY:
ILC Limited Product Warranty is THREE (3) YEARS on docking lights, horn related products, navigation lights (excluding extend-a-lights and powerlights) Versa-Bryte and their components. Any product developing such defect in material or workmanship within this period will be repaired or replaced with a like product, at our option (ILC) providing it is sent to us, transportation charges prepaid, along with US$5.00 to cover the cost of handling. Please note; this is not a repair charge. Proof-of-Purchase date to ILC at our Roland, Iowa, factory must accompany return. ILC does not warrant any incandescent electric lamps (bulbs) free against defects and or performance.

This warranty is void if the product warranted has been damaged by accident or unreasonable use, neglect, improper service or other cause not arising out of defects in material or workmanship.

ONE YEAR LIMITED PRODUCT WARRANTY:
ILC Limited Product Warranty is ONE (1) YEAR on all other components, including battery lights, extend-a-light and power light products, trailer lighting and home lighting products. Any product developing such defect in material or workmanship within this period will be repaired or replaced with a like product, at our option (ILC) providing it is sent to us, transportation charges prepaid, along with US$5.00 to cover the cost of handling. Please note; this is not a repair charge. Proof-of-Purchase date to ILC at our Roland, Iowa, factory must accompany return. ILC does not warrant any incandescent electric lamps (bulbs) free against defects and or performance.

Chrome plated products showing evidence of peeling will be repaired or replaced at ILC’s discretion. Chrome showing signs of wear due to debris, rock chips, pitting, etc. will not be covered.

This warranty is void if the product warranted has been damaged by accident or unreasonable use, neglect, improper service or other cause not arising out of defects in material or workmanship.
PRICES:
Prices are subject to change without notice.

TERMS:
Net 30 Days (upon open credit approval)

MINIMUM ORDER:
Orders less than US$50.00 will be accepted for an additional handling charge of US$5.00.

FREIGHT POLICY:
FOB Roland, Iowa

DROP SHIPMENTS:
Drop shipments will be assessed a fee of US$5.00

ORDER LEAD TIME:
A minimum of ten (10) working days is requested on all orders. ILC daily cut-off time for shipments is 12:00 PM Central Standard Time. Orders received and requesting same day shipping after 12:00 PM will be processed and shipped the following business day. ILC will try to accommodate all customers requesting same day shipping service.

STANDARD OEM PACKS:
ILC standard packs are shown on the OEM price list. All orders received will be adjusted to the nearest standard pack. A US$5.00 breakage fee will apply to each item not being adjusted to standard pack quantities.

SHORT SHIPMENTS:
ILC will allow fifteen (15) days from the date of receipt of goods for claims regarding any product shortages.

OUTSTANDING CREDIT:
Customers who returned product for credit must exercise the credit within six (6) months from the date of issuance, otherwise customer will lose credit benefit.

FINANCE CHARGE:
A finance charge of 1.5% per month applies to all late payments.

BILLING:
ILC will allow thirty (30) days from the date of invoice regarding any claims concerning, but not limited to, billing errors, pricing errors, terms, freight reimbursement, and alike examples.

INTERNATIONAL:
A US$45.00 Documentation / Processing fee applies to all international shipments outside the Continental USA.

Accent Light - Single LED Surface Mount

DETAILS
- Operates 9-16 Volt DC Systems
- 24 Volt Version Available
- Rated at 100,000 Hours of Service Life
- Shock and Vibration Proof
- Cool to the Touch
- Energy Draw 30-65 mA depending on color
- No Corrosion
- Potted to Seal Out Moisture
- 1 LED

- Storage Compartments
Ultra-Thin Round Puck Light Kit

DETAILS
• Operates 120 Volt AC Systems
• Energy Draw 116 mA
• Rated at 50,000 Hours of Service Life
• Each Puck has 19 LEDs
• Surface Mounted
• Self-Adhesive Backing
• Cool to the Touch
• Perfect for use In or Under Cabinets

PRODUCT NUMBERS
707-5290 - 4 Light Kit w/ Driver and Connection Box
707-5290 - Light Only

KIT INCLUDES
• LED Driver
• 4 Round 19 LED Lights
• 4 Connection Wires

Ultra-Thin Square Puck Light Kit

DETAILS
• Operates 120 Volt AC Systems
• Energy Draw 92 mA
• Rated at 50,000 Hours of Service Life
• Each Puck has 18 LEDs
• Surface Mounted
• Self-Adhesive Backing
• Cool to the Touch
• Perfect for use In or Under Cabinets

PRODUCT NUMBERS
717-5480 - 4 Light Kit w/ Driver and Connection Box
717-5480 - Light Only

KIT INCLUDES
• LED Driver
• 4 Square 18 LED Lights
• 4 Connection Wires

Ultra-Thin Under Cabinet Strip

DETAILS
• Operates 120 Volt AC Systems
• Energy Draw 67 mA
• Rated at 50,000 Hours of Service Life
• Cool to the Touch
• Perfect for use in Coves and Cabinets
• Each Strip has 12 LEDs
• Self-Adhesive Backing
• Kit Includes 4 Strips which can be Connected for a Total Length of About 4 feet

PRODUCT NUMBERS
707-5120 - 4 Light Strips w/ Driver and Connection Box
707-5120 - 12” Strip Light Only
707-9060 - 6” Jumper Wire for Ultra-Thin Strip Light
707-9120 - Power Wire for Ultra-Thin Strip Light

KIT INCLUDES
• LED Driver
• 4 12 LED Light Strips
• Connection Wire
