WARRANTY INFORMATION

LED LIGHT EMITTING DIODE LIMITED LIFETIME WARRANTY:
Innovative Lighting Corporation (ILC) extends a Limited Lifetime LED Lamp Warranty to the original purchaser that ILC’s sealed LED Lamp is free from defects in material or workmanship and/or materials only. Any product developing such defect in material or workmanship within this period will be repaired or replaced with a like product, at our option (ILC) providing it is sent to us, transportation charges prepaid, along with US$5.00 to cover the cost of handling. Please note; this is not a repair charge. Proof-of-Purchase date to ILC at our Roland, Iowa, factory must accompany return. ILC does not warrant any incandescent electric lamps (bulbs) free against defects and or performance. Excludes ChannelBrite™ and home lighting products.

The LED LIMITED LIFETIME WARRANTY DOES NOT APPLY TO SEVERE APPLICATIONS such as buses, construction equipment and off-road vehicles. These applications are examples only and are not all inclusive of each exclusive application. Many chemicals and/or cleaners are incompatible with ILC’s LED products; therefore, the Limited Lifetime Warranty does not apply to damage associated with incompatible chemicals and cleaners. The ILC LED lamps are to remain intact, free from physical abuse, not subject to improper installation or modification. Any violation of these conditions will void this LED Limited Lifetime Lamp Warranty.

This LED Limited Lifetime Warranty is not transferable and applies to the original installation of the sealed LED lamps for as long as the original purchaser owns them.

THREE YEAR LIMITED PRODUCT WARRANTY:
ILC Limited Product Warranty is THREE (3) YEARS on docking lights, horn related products, navigation lights (excluding extend-a-light and powerlights) Versa/Byte and their components. Any product developing such defect in material or workmanship within this period will be repaired or replaced with a like product, at our option (ILC) providing it is sent to us, transportation charges prepaid, along with US$5.00 to cover the cost of handling. Please note; this is not a repair charge. Proof-of-Purchase date to ILC at our Roland, Iowa, factory must accompany return. ILC does not warrant any incandescent electric lamps (bulbs) free against defects and or performance.

This warranty is void if the product warranted has been damaged by accident or unreasonable use, neglect, improper service or other cause not arising out of defects in material or workmanship.

ONE YEAR LIMITED PRODUCT WARRANTY:
ILC Limited Product Warranty is ONE (1) YEAR on all other components, including battery lights, extend-a-light and power light products, trailer lighting and home lighting products. Any product developing such defect in material or workmanship within this period will be repaired or replaced with a like product, at our option (ILC) providing it is sent to us, transportation charges prepaid, along with US$5.00 to cover the cost of handling. Please note; this is not a repair charge. Proof-of-Purchase date to ILC at our Roland, Iowa, factory must accompany return. ILC does not warrant any incandescent electric lamps (bulbs) free against defects and or performance.

Chrome plated products showing evidence of peeling will be repaired or replaced at ILC’s discretion. Chrome showing signs of wear due to debris, rock chips, pitting, etc. will not be covered.

This warranty is void if the product warranted has been damaged by accident or unreasonable use, neglect, improper service or other cause not arising out of defects in material or workmanship.
