WARRANTY INFORMATION

LED LIGHT EMITTING DIODE LIMITED LIFETIME WARRANTY:
Innovative Lighting Corporation (ILC) extends a Limited Lifetime LED Lamp Warranty to the original purchaser that ILC's sealed LED Lamp is free from defects in material and/or workmanship. Any product developing such defect in material or workmanship within this period will be repaired or replaced with a like product, at our option (ILC) providing it is sent to us, transportation charges prepaid, along with US$5.00 to cover the cost of handling. Please note: this is not a repair charge. Proof-of-Purchase date to ILC at our Roland, Iowa, factory must accompany return. ILC does not warrant any incandescent electric lamps (bulbs) free against defects and or performance. Excludes ChannelBriteTM and home lighting products.

The LED LIFETIME WARRANTY DOES NOT APPLY TO SEVERE APPLICATIONS such as buses, construction equipment and off-road vehicles. These applications are examples only and are not all inclusive of each exclusive application. Many chemicals and/or cleaners are incompatible with ILC’s LED products; therefore, the Limited Lifetime Warranty does not apply to damage associated with incompatible chemicals and cleaners. The ILC LED lamps are to remain intact, free from physical abuse, not subject to improper installation or modification. Any violation of these conditions will void this LED Limited Lifetime Lamp Warranty.

This LED Limited Lifetime Warranty is not transferable and applies to the original installation of the sealed LED lamps for as long as the original purchaser owns them.

THREE YEAR LIMITED PRODUCT WARRANTY:
ILC Limited Product Warranty is THREE (3) YEARS on docking lights, horn related products, navigation lights (excluding extend-a-lights and powerlights) Versa-Bryte and their components. Any product developing such defect in material or workmanship within this period will be repaired or replaced with a like product, at our option (ILC) providing it is sent to us, transportation charges prepaid, along with US$5.00 to cover the cost of handling. Please note: this is not a repair charge. Proof-of-Purchase date to ILC at our Roland, Iowa, factory must accompany return. ILC does not warrant any incandescent electric lamps (bulbs) free against defects and or performance.

This warranty is void if the product warranted has been damaged by accident or unreasonable use, neglect, improper service or other cause not arising out of defects in material or workmanship.

ONE YEAR LIMITED PRODUCT WARRANTY:
ILC Limited Product Warranty is ONE (1) YEAR on all other components, including battery lights, extend-a-light and power light products, trailer lighting and home lighting products. Any product developing such defect in material or workmanship within this period will be repaired or replaced with a like product, at our option (ILC) providing it is sent to us, transportation charges prepaid, along with US$5.00 to cover the cost of handling. Please note: this is not a repair charge. Proof-of-Purchase date to ILC at our Roland, Iowa, factory must accompany return. ILC does not warrant any incandescent electric lamps (bulbs) free against defects and or performance.

Chrome plated products showing evidence of peeling will be repaired or replaced at ILC’s discretion. Chrome showing signs of wear due to debris, rock chips, pitting, etc. will not be covered.

This warranty is void if the product warranted has been damaged by accident or unreasonable use, neglect, improper service or other cause not arising out of defects in material or workmanship.

PRICES:
Prices are subject to change without notice.

TERMS:
Net 30 Days (upon open credit approval)

MINIMUM ORDER:
Orders less than US$50.00 will be accepted for an additional handling charge of US$5.00.

FREIGHT POLICY:
FOB Roland, Iowa

DROP SHIPMENTS:
Drop shipments will be assessed a fee of US$5.00

ORDER LEAD TIME:
A minimum of ten (10) working days is requested on all orders. ILC daily cut-off time for shipments is 12:00 PM Central Standard Time. Orders received and requesting same day shipping after 12:00 PM will be processed and shipped the following business day. ILC will try to accommodate all customers requesting same day shipping service.

STANDARD OEM PACKS:
ILC standard packs are shown on the OEM price list. All orders received will be adjusted to the nearest standard pack. A US$5.00 breakage fee will apply to each item not being adjusted to standard pack quantities.

SHORTEST SHIPMENTS:
ILC will allow fifteen (15) days from the date of receipt of goods for claims regarding any product shortages.

OUTSTANDING CREDIT:
Customers who returned product for credit must exercise the credit within six (6) months from the date of issuance, otherwise customer will lose credit benefit.

FINANCE CHARGE:
A finance charge of 1.5% per month applies to all late payments.

BILLING:
A US$45.00 Documentation / Processing fee applies to all international shipments outside the Continental USA.

**Ultra-Thin Round Puck Light Kit**

**DETAILS**
- Operates 120 Volt AC Systems
- Energy Draw 116 mA
- Rated at 50,000 Hours of Service Life
- Each Puck has 19 LEDs
- Surface Mounted
- Self-Adhesive Backing
- Cool to the Touch
- Perfect for use in or Under Cabinets

**PRODUCT NUMBERS**
- 707-5290 - 4 Light Kit w/ Driver and Connection Box
- 707-5290 - Light Only

**Ultra-Thin Square Puck Light Kit**

**DETAILS**
- Operates 120 Volt AC Systems
- Energy Draw 92 mA
- Rated at 50,000 Hours of Service Life
- Each Puck has 18 LEDs
- Surface Mounted
- Self-Adhesive Backing
- Cool to the Touch
- Perfect for use in or Under Cabinets

**PRODUCT NUMBERS**
- 717-5480 - 4 Light Kit w/ Driver and Connection Box
- 717-5480 - Light Only

**Ultra-Thin Under Cabinet Strip**

**DETAILS**
- Operates 120 Volt AC Systems
- Energy Draw 67 mA
- Rated at 50,000 Hours of Service Life
- Cool to the Touch
- Perfect for use in Coves and Cabinets
- Each Strip has 12 LEDs
- Self-Adhesive Backing
- Kit includes 4 Strips which can be Connected for a Total Length of About 4 feet

**PRODUCT NUMBERS**
- 707-5120 - 4 Light Strips w/ Driver and Connection Box
- 707-5120 - 12" Strip Light Only
- 707-9060 - 6" Jumper Wire for Ultra-Thin Strip Light
- 707-9120 - Power Wire for Ultra-Thin Strip Light

**KIT INCLUDES**
- LED Driver
- 4 Round 19 LED Lights
- 4 Connection Wires
Marine Lighting Guidelines

Light Positioning Requirements for Vessels Under Power of Less Than 20 Meters (65 Feet) in Length for International and Inland Rules

Alternative Light Positioning for Vessels Under Power of Less Than 12 Meters (39 Feet) in Length for International and Inland Rules

Notes: A power driven vessel of less than 12 meters (39 ft.) in length may exhibit an all-round white light and sidelights instead of the masthead light and stern light.

Light Positioning Requirements for Sailing Vessels Under Way International and Inland Rules

Please note: this is merely a guide to lighting placement. Please refer to any laws in your area for more detailed information.
**Marine Lighting**

**All-Round LED Plug-In Mount Stern Light**

*Details*
- Operates 9-16 Volt DC Systems
- Single LED Configuration
- For Powerboats Under 20 Meters (65.6 ft.)
- Extends from 2 ft. to 8 ft.
- 50,000 Hours of Service Life
- Energy Draw: 180 mA
- Shock and Vibration Proof
- Sealed Circuitry
- Easy Pull-Up/Down Hand Operation
- Adjustable Height
- Corrosion Resistant
- Durable Stainless Steel Telescopic Pole
- Easily Installed on New and Used Boats
- No Change in Existing Switch Required
- Certified Ignition Protected
- IMCI Certified for ISO 8846

*Product Numbers*
- 512-1210 - LED Stern Light w/ Stainless Steel Rectangular Base
- 512-1220 - LED Stern Light w/ Stainless Steel Round Base

*Details* for 512-1220:
- 3.00" Diameter
- 1.00" Thick Base
- 2.30" Stainless Steel Base
- 2.14" Stainless Steel Base
- 1.187" Stainless Steel Base
- 1.35" Stainless Steel Base

*Replacement Parts*
- 504-9900 - Anchor Bracket for PowerLight and Extend-A-Light
- 514-0000 - Replacement Chrome Deck Ring for Extend-A-Light
- 504-9915 - Replacement All-round LED Lens

**Adapter Ring Model # 512-9911-1**

Adapter ring model # 512-9911-1 is used for converting from a 504/505/506 Motorized Stern Light or 514/515/516 Extend-A-Light Stern Light, to a 512 Plug-In Mount Stern Light.

**Marine Lighting**

**All-Round LED Ski Light Tall Base**

*Details*
- Operates 9-16 Volt DC Systems
- Single LED Configuration
- For Powerboats Under 20 Meters (65.6 ft.)
- 50,000 Hours of Service Life
- Energy Draw: 180 mA
- Transparent Lens
- Shock and Vibration Proof
- Equipped with Stainless Steel Shaft
- Fixed Mounting Base

*Product Numbers*
- 500-0400 - 12" All-round Pedestal Mount Light

**All-Round LED Pedestal Mount Light**

*Details*
- Operates 12 Volt DC Systems
- Single LED Configuration
- For Powerboats Under 20 Meters (65.6 ft.)
- 50,000 Hours of Service Life
- Energy Draw: 180 mA
- Transparent Lens
- Shock and Vibration Proof
- Equipped with Stainless Steel Shaft
- Fixed Mounting Base

*Product Numbers*
- 500-0500 - 12" All-round Pedestal Mount Light

**LED Combination Sidelight Deck Mount**

*Details*
- Operates 9-16 Volt DC Systems
- 6 LED Configuration
- For Powerboats Under 20 Meters (65.6 ft.)
- 50,000 Hours of Service Life
- Requires: 3.75" Hole
- Energy Draw: 110 mA
- Transparent Lens
- Cool to the Touch
- Stainless Steel Housing
- Hard Wire Leads
- Available in 12 & 24 volt
- European Approvals Pending

*Product Numbers*
- 550-1200 - Polished Stainless Steel

**Marine Lighting**

**Replacement Parts**

- 504-9900 - Anchor Bracket for PowerLight and Extend-A-Light
- 514-0000 - Replacement Chrome Deck Ring for Extend-A-Light
- 504-9915 - Replacement All-round LED Lens
Marine Lighting

**LED Sidelights Vertical Mount**

**DETAILS**
- Operates 9-16 Volt DC Systems
- 3 LED Configuration
- For Powerboats Under 20 Meters (65.6 ft)
- 50,000 Hours of Service Life
- Requires 376” Hole
- Energy Draw 55 mA
- Transparent Lens
- Cool to the Touch
- Stainless Steel Housing
- Hard Wire Leads
- Available in 12 & 24 volt
- European Approvals Pending

**PRODUCT NUMBERS**
- 564-2100-1 - Starboard Enamel Baked White Stainless Steel
- 564-2100-2 - Port Enamel Baked White Stainless Steel
- 564-2200-1 - Starboard Polished Stainless Steel
- 564-2200-2 - Port Polished Stainless Steel

**Bulk Std. Pack Qty = 24**
Packaged Std. Pack Qty = 6

**Marine Portable LED Navigation Light**

**DETAILS**
- Requires 4 “AA” Batteries (Not Included)
- Molded One Piece White Body Construction
- Shock Resistant Neoprene Accents
- Rated at 100,000 Hours LED Service Life
- Uses 90% Less Energy than Incandescent
- Sealed Heavy Duty On/Off Switch
- Insert Milled Brass Threaded Mounting Bushings
- Removable Lamp Carriage Assembly
- 1 LED
- Metal Mounting Hardware
- Meets USCG requirements for small, manually powered watercrafts including: dinghies, canoes, rowboats, and kayaks less than 22’ long with speeds up to seven knots.

**PRODUCT NUMBERS**
- 560-1110 - Bow Light w/ Screw On/Off Suction Cup
- 560-2110 - Stern Light w/ Screw On/Off Suction Cup
- 560-1111 - Bow Light w/ Universal “C”clamp
- 560-2113 - Stern Light w/ “18” Pole and Universal “C” and “U” clamp
- 560-1112 - Bow Light w/ 2” Stud Mount Inflatable Base with attached Lanyard and Stainless Steel “D” Ring
- 560-2112 - Stern Light w/ 2” Stud Mount Inflatable Base with attached Lanyard and Stainless Steel “D” Ring

Packaged Std. Pack Qty = 6

**CAMOUFLAGE MARINE PORTABLE LED NAVIGATION LIGHT**

**DETAILS**
- Requires 4 “AA” Batteries (Not Included)
- Molded One Piece White Body Construction
- Shock Resistant Neoprene Accents
- Rated at 100,000 Hours LED Service Life
- Uses 90% Less Energy than Incandescent
- Sealed Heavy Duty On/Off Switch
- Insert Milled Brass Threaded Mounting Bushings
- Removable Lamp Carriage Assembly
- 1 LED
- Meets USCG requirements for small, manually powered watercrafts including: dinghies, canoes, rowboats, and kayaks less than 22’ long with speeds up to seven knots.

**PRODUCT NUMBERS**
- 562-1814 - Bow Light with Universal “C” clamp Camouflage Body
- 562-2813 - Stern Light with 18” Pole and Universal “C” and “U” clamp Camouflage Body

Packaged Std. Pack Qty = 6

### “SETS” Piezo Electronic Drop In Hidden Horn

**Details**
- 12 or 24 volt DC Systems
- For Vessels Under 12 Meters (39.4 Ft.)
- Uses “SETS” Horn Technology
- Draws Less Than 1/2 Amp
- Unit Is Polarised Protected
- Solid State With No Moving Parts
- Built-in Water Evacuation Drainage System
- Requires 2 1/4” Hole
- Mounting Gasket Included

**Product Numbers**
- 540-0000 - Black
- 540-0100 - White
- 540-8900 - Stainless Steel Grill Overlay

**Included**
- Drainage System

**Color Options**
- Black
- White
- Cream

### “SETS” Piezo Electronic Deck Mount Horn

**Details**
- 12 or 24 volt DC Systems
- For Vessels Under 12 Meters (39.4 Ft.)
- Uses “SETS” Horn Technology
- Draws Less Than 1/2 Amp
- Unit Is Polarised Protected
- Solid State With No Moving Parts
- Rope Shading Design
- Forward Facing Presentation
- Mounting Gasket Included
- Patent #6559758B2

**Product Numbers**
- 542-0000 - Black
- 542-0100 - White

**Included**
- Drainage System

**Color Options**
- Black
- White

### “SETS” Piezo Electronic Hand Held Horn

**Details**
- Battery Operated
- Weatherproof
- Solid State Electronics
- Shock Resistant Construction
- Contains NO CFCS
- NO Haz Mat
- NO Leaking or Limited Shelf Life
- Meets U.S. Coast Guard Requirements
- Requires One 9-Volt Battery (Not Included)
- Patent #468,736, #6559758B2
- For vessels under 12 meters (39.4 ft.)

**Product Numbers**
- 545-0010 - Yellow Sport Horn w/ Cradle
- 545-5010 - Blue Signaling Horn w/ Cradle

**Included**
- Cradle

**Color Options**
- Blue
- Yellow
