

LED BR LAMPS

The highly efficient LED family of lamps replace up to 120-watt incandescent lamps, significantly reducing consumers' carbon footprint while maintaining a very high quality of light.

The LED BR lamps are the ideal lighting solution for recessed and architectural residential, retail, office space, and hospitality applications.

ENERGY STAR®-qualified models are available.

Part Number	Type	Equivalent	Wattage	Color	Lens	Life (Hours)	Wty (Yrs)	Lumens	Ballast	Std Pack	DLC/ES #
